

Good Day!

16 April 2023

Please find form below for this half term. Apologies for the inconvenience of having to postpone art club due to unforeseen reasons, I appreciate your patience during this difficult time.

I have amended the lessons owed below according to this term's calendar. Please see where your child's day falls on to view amendments. **Please note there are still students in the Wed group that's outstanding and the lesson attended (22 Feb) will be added to this term's fee.** I factored in the two bank holidays 1st and 8th May as well as the Y5 & 6 residential camps this term.

For new students please see the list below on the different types of art we do. We start a new project every lesson to keep the children engaged and enthusiastic. For more information you can follow us on Facebook <https://www.facebook.com/thezebraelephant>.

Arts and Crafts includes the following methods

- Recyclable materials like paper plates, pasta (always a winner) to toilet rolls, cereal boxes etc. All recyclables will be thoroughly disinfected prior to class.
- Finger painting
- Water balloon painting
- Foam art
- Traditional brush painting
- Colour pencils and markers (learning to draw cartoons etc)
- Crafts like making pop-up cards for Christmas, Birthdays, Mother's/Father's Day, Easter etc. Making Masks
- Mix Media
- Splash Art
- Collage
- Paper puppets
- Spoon and Fork Painting

The students loved all the projects we've done so far. It's not just a sit down and paint art class, but an interactive class which allows children to leave with a new creative skill after each lesson.

Set prices include all art materials including extra art supplies with each lesson. Each child will receive art materials on the day depending on the project for that week.

Lessons are payable via bank transfer only as I'm trying to avoid cash transactions via the school office.
