

Schools of Chesham Carnival 2019

Dear Parents,

We are writing to let you know about The Schools of Chesham Carnival 2019 on **Saturday 8th June 2019**

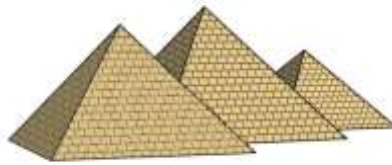

It is a brilliant, fun, community event for the children and a major fundraiser for the school so we really want you to get involved.

The carnival is one of the biggest events of the year in Chesham, it has been running since 1974 and features floats from many local schools and businesses. The procession lasts approx. 50 minutes taking in the whole of Chesham town centre, with crowds lining the route all the way.

The procession concludes with amusements and entertainment for all of the family in Lowndes Park, with fairground attractions, bouncy castles, trampolines, a petting farm, face painting and much more. The local mayor will also be attending to award prizes for the best school float.

Float Theme

This year the carnival is based on Global Landmarks and Hawridge and Cholesbury have been lucky enough to get the theme **EGYPT & THE PYRAMIDS**

We are planning for our float to feature the pyramids, the sphinx, palm trees, camels, sarcophaguses and hieroglyphics, and will need some little archaeologists, pharaohs, kings and mummies to ride and walk alongside. We'd love as many children (and parents) as possible to take part.

If you are interested in joining in the fun, including craft sessions to make costumes and float props please email us by the end of February to make sure we can include you in the plans.

Email your name and contact details, along with your child's name and class to:
