5. He/she was not available for comment

Instructions:

Choose one idea from each of the sections to decide on the basics. Then plan the article outline of the news report out of the selections, making sure that you remember to include all of the features you identified. You also need to think about the regular features of writing that we look for in Year 5:

- Fronted adverbials
- Expanded noun phrases
- Relative clauses
- Modal verbs
- Interesting vocabulary i.e. no 'big' or 'nice
- Conjunctions to link and order ideas
- Paragraphs

The extra challenge is then to:

- have a headline with a play on words or is highly emotive.
- use emotive language so although not expressing a personal opinion, you affect the viewpoint of the reader
