1st October 2019

Dear Year 6 Parents

Year 6 Enrichment Activities Autumn Term

With our FRESH curriculum in mind we have organised two enrichment activities for year 6 in the next few weeks.

We have planned to take the children on a **Geography Visit to our Local River Chess**. This has been organised for Tuesday, 15th October with Amersham Field Study Council. The day will start with an expert coming into school and providing the children with key facts. We will then board a coach and visit two sites so that we can carry out our practical research, building knowledge and skills. The information gathered will be used to further enhance our knowledge of river systems and will be drawn upon for subsequent lessons.

The visit will fall within the normal school hours and children will need to be in and registered for 8:50am. Children should come to school wearing old clothes that can get wet and bring a set of spare clothing which they should carry in a backpack and bring with them on the trip. Children will need wellies but will need a change of shoes as they won't be able to wear muddy wellies in school when we return from the trip. The geography skills visit will go ahead no matter the weather so please ensure your child will be warm and dry on our day out. *Each child will need a packed lunch and drink.* The cost for the coach, field study leader and equipment is £20.25.

Secondly, we have secured a **Watercolour Artist** to come into school to work with the children on the afternoon of Friday, 25th October. She will teach them basic techniques and will put these into practice to produce a painting which will be displayed around school. The cost for this activity is £3.

Please return the completed permission slip by Tuesday 8th October and pay online via SchoolMoney.

Kind Regards
Angela Hughes
