OUR SCHOOL VALUES: RESPECT - UNDERSTANDING - PEACE - HONESTY - RESPONSIBILITY - TEAMWORK

25th June 2021

Less than a month to go before the end of this academic year and we have so much to pack into the last four weeks: Y6 show, school trips, music performances, sports day and much more. Although government guidelines are still quite restrictive our staff, PSA and parents are forging ahead to make this a fun final term.

College Lake

Y2 and Y3 have both been on their school trip to College Lake (near Tring). Folly Fields enjoyed a gloriously sunny day. They went on a sensory walk exploring all their senses. When they explored their sense of smell they wandered through the herb garden and made their own perfume / aftershave! Pond dipping was one of the highlights of the day, finding a newt and dragonfly nymphs. After lunch they became detectives - searching for clues of animal presence: bones, feathers, footprints and poo! The children were delighted when they found a Common Lizard and a baby toad (toads have lumpy/bumpy bits on their skin). A great day was had by all! It really is a beautiful place. Somewhere great to visit during the summer holidays.

Face Coverings

It has been noted that some parents are arriving at school without proper face coverings and are just raising their T-shirts above their nose, which is not really acceptable. Please try to remember your mask or pop a spare one in the glove compartment of your car, so you always have one to hand.

& DISABLED
BADGE
HOLDERS ONLY

Our Y6 children are starting rehearsals for their Y6 show. This year they will be showcasing their variety of talents and we will be of course be recording their performances. What an exciting end to their busy final term.

Be prepared for every type of weather!

Our climate being as it is, even if you come to school in sunshine you could well be going home in a rain shower! Therefore, please bring a raincoat to school every day, even if the forecast is sunny. Just a reminder that sun cream should be applied at home.

This week's music is 'These are a few of my favourite things' and I think the children at College Lake this week certainly explored a few 'favourite things' in this great natural environment.

***I praise you because I am
fearfully and wonderfully made;
your works are wonderful,
I know that full well***

Psalm 139:14

A little information – Friday, 2nd July - reports will be sent out via eSchools; Tuesday, 6th July - children will find out their class teacher for September; Wednesday, 14th July - please keep saving your unwanted clothes to donate to our Happy School Bag collection. *Have a relaxing and happy weekend!*
