 s-p-o-t spot, b-e-s-t best, s-p-l-a-sh splash

Segmenting and blending sounds

Once your child can read Set 1 Speed Sounds confidently, he or she can learn to read words. First, your child is introduced to a toy frog called Fred. Fred can *only* say the sounds in a word and needs your child to help him read the word. So, when you hear your child say 'Fred Talk', you'll know this means sounding out the word.

You can help your child to read words by following these steps:

 Make up a word with three cards that your child can read quickly, e.g. c-a-t.

Point to and say the sounds, and then say the word. Ask your child to copy you.

Muddle up the cards. Ask your child to make the word again, and then point to and say the sounds.

Repeat with more 3-sound words, including some containing sounds made up of more than one letter, e.g. ch—a—t, sh—i—p, th—i—s.

- Put out three cards. This time, ask your child to say the sounds.
 Help him or her to blend the sounds into the words, until your child can do it without your help.
- 3. Repeat with some 4-sound words, e.g. b-l-i-p, f-r-o-g, g-r-i-n, s-t-o-p, j-u-m-p, h-a-n-d, b-l-a-ck.

Reading at home

- When your child reads the story, ask him or her to sound out the words that he or she can't read automatically. Don't allow your child to struggle too much. Praise your child when he or she succeeds.
- Read back each sentence or page to keep the plot moving. (Your child's energy is going into reading the words not the story.)
- · Do not ask your child to guess the word by using the pictures.
- · Do it all with patience and love!

Phonics and Reading

At Hawridge and Cholesbury we aim to develop a reading community where children become confident and enthusiastic readers. For us to achieve this we need to take reading beyond the classroom. We want to create a rich reading environment where reading is encouraged by everyone and everywhere.
