9th March 2020

Dear Parents

Y1 Road Farm Visit – Monday, 30th March 2020

I am pleased to report that Honey Pots will be visiting a very special farm in Great Missenden, to have a fun end to the spring-term. Road Farm are very experienced with school trips and, although a working farm, receive visits from both mainstream and special needs groups throughout the year, so have all the necessary health and safety policies in place.

We will be going and returning within school hours. Children do not need to wear school uniform and should wear robust clothing and footwear (long trousers, wellies or trainers and coats).

Please ensure children are dressed appropriately for both the weather and the venue!

We will provide a packed lunch for every child, but please send in a healthy snack and a water bottle in a bag.

The cost of the trip is £14 which includes the farm entry/facilities and transportation. Please return the slip below and pay online by via SchoolMoney by Monday, 16th March 2020.

Kind regards
Mrs Montesinos
