Please could you send your child in with suitable warm clothes (they should come to school in their uniform as usual and will be given the opportunity to change before the session). The Forest Schools leader requests that the children wear long sleeve tops and long trousers, whatever the weather, to protect from stinging nettles and biting insects. Sturdy shoes or wellington boots should also be brought along. It is a good idea to send your child with a waterproof coat and, if possible, waterproof trousers as Forest Schools takes place whatever the weather!

Kind regards

Mrs J Walker
