22nd November 2019

Dear Year 1 Parents

We are delighted to inform you that Amersham Museum are visiting Year 1 next Thursday, 28th November 2019 to deliver a Traditional Toy Workshop.

The session involves four using traditional toys from their collection:

- Explore moving toys
- Explore optical toys
- Explore construction toys
- Sort old toys and modern toys and consider the materials that they're made of
- Make a peg doll or a Victorian optical toy

They will also discuss the difference between the toys used by rich and poor children in the past and think about what children did when they didn't have toys to play with. Many of the toys were made in a local toy factory (in Chesham) and many of them are between 60 and 100 years old!

The children have been informed about the workshop and are extremely excited!

There is a small charge of £3 per child for this session and we would be grateful if this was paid online via SchoolMoney before Thursday please.

Kind regards

Mrs Woodward
