

Dreams and Stars

G Murphy

We go at night to-wards the light up to the stars they give us

5

sight we go at night to-wards the light up to the stars a sight so

9

bright we see our hopes and dreams each one a star it seems our hopes are

12

16

Now work to make your dreams come true Yeah! We go at night to-wards the

20

light up to the stars they give us sight we go at night to-wards the

We go at night to-wards the light up to the stars they give us

24

light up to the stars a sight so bright we see our hopes and dreams each one a

sight we go at night to-wards the light up to the stars a sight so

28

star it seems our hopes are re - al in sleep re - ve - aled

bright we see our hopes and dreams each one a star it seems our hopes are

31

Now wake and work to make them true you can Now work to make your dreams come

re - al in sleep re - ve - aled Now wake and work to make them

34

true Yeah! We go at night to-wards the

true you can Now work to make your dreams come true We go at night

37

light up to the stars they give us sight we go at

to-wards the light up to the stars they give us sight

40

night to-wards the light up to the stars a sight so

we go at night to-wards the light up to the stars

43

bright we see our hopes and dreams each one a star it seems our hopes are

a sight so bright we see our hopes and dreams each one a star it seems

46

re - al in sleep re - ve - aled Now wake and work to make them

our hopes are re - al in sleep re-ve - aled Now wake and

49

true you can Now work to make your dreams come

work to make them true you can Now work to

51

true Yeah!

make your dreams come true Yeah!
