OUR SCHOOL VALUES: RESPECT – UNDERSTANDING – PEACE – HONESTY – RESPONSIBILITY – TEAMWORK

27th January 2023

Following a generous donation from a past pupil's family, we are very excited to be refurbishing and sorting our **school library**. Staff have sorted the books we currently have and we are looking for volunteers to continue this process, creating further subdivisions and labelling. If you are able to offer an afternoon/ morning or two we would be most grateful. Tea and biscuits will be provided!

Chesham Museum visits Y1

On Monday 16th January Honey Pots were lucky enough to have a visit from the Chesham Museum, who kindly brought in some toys to support Year 1 with their previous History topic 'Toys throughout time'. They got to see and play with a range of different toys from various time periods and learnt all about who made them and the local teddy bear factory. This visit was kindly donated by the Rotary Club who are supporting local schools.

NSPCC Number Day 2023

Thursday 2nd February, children will take part in a range of fun maths activities. They are invited to wear an item of clothing with a number on it /get creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a £2 donation.

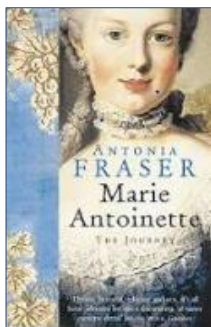

Water in water bottles

No juice or squash please. Unless otherwise agreed, bottles not filled with water will be sent home and children will be offered cups of water as an alternative.

This term in our Celebration Assemblies staff are sharing a much loved, favourite book with children. This week, Miss Jeanes shared her love of recipe books, especially those about baking. Children and staff looked longingly at her collection and it was a good reminder that reading and books are about more than a good story.

Personally, I am gripped by 'Marie Antoinette' by Antonia Fraser, an account of a time of lavish wealth, extreme poverty and general inequality. More than 300 years later, inequalities are still with us, whether it be wealth, gender stereotypes, nationality etc.

"A new command I give you: Love one another. As I have loved you, so you must love one another."

Chiltern League

This year we joined the Chiltern League, hosted by Waterside Primary School. The league provides us with a range of sporting fixtures throughout the year, a different sport for each half term. This term is tag rugby. Thank you so much to Mr Leek and Mrs Duncan-Anderson for helping out with the training and matches, and also to Oliver for this great report.

Today's match was exhilarating. Everyone on our team could have received player of the match, but we all decided on Kerron. He played great lines, passes and scored 5 of our 9 tries. In the end, we won 9-8 against Waterside. It's crazy because at half time it was 3-8 and we were all so tired, but with a pep talk from the coach we scored 9 more for the win.

Finally, we are currently looking for some administrative support in our busy, school office from 12.30pm to 3.30pm. If you think you might have the admin skills required, have a good command of English and can adhere to our Staff Code of Conduct, please contact Mrs King in the office.
