

OUR SCHOOL VALUES: RESPECT – UNDERSTANDING – PEACE – HONESTY – RESPONSIBILITY – TEAMWORK

27th May 2022

How wonderful to be able to enjoy communal celebrations again with children, staff and parents. I thought yesterday's Jubilee celebration was a fabulous event. It was a joy to see all the smiling faces and laughter in the playground, and our 'royal' visitor really added to the celebrations!

Tring Museum wildlife photographer of the year exhibition

As part of the Bronze Arts Award, children need to attend an exhibition and then share their experience with an audience. Anni in Y6 recently attended an exhibition at Tring Natural History Museum and thought you might like to hear about it.

I loved the different styles of nature photography that there were at the exhibition. Some showed global warming and climate change while others showed peace and happiness.

I would recommend the exhibition to anyone who loves and wants to protect nature or loves to photograph nature or wildlife. The exhibition has a mixture of more moving photos as well as happy and cheerful ones.

Thursday, 9th June.

Welcome

We have recently welcomed Artem (from Ukraine) to Y1. He has settled and integrated into his class beautifully, helped along by all the wonderful children in Honey Pots. Well done everyone. You really are a lovely class.

After a fantastic day yesterday, no doubt you will all take part in further Jubilee celebrations this week. I hope that you all have a wonderful time and amongst it all take some time to reflect on the tremendous resilience and personal responsibility Elizabeth the person has shown us over her 70 years in post. Never wavering from her commitment to her role as Queen, head of state, the armed forces and the church, long after she could quite legitimately have taken a back seat and let others take on her duties. What an inspiration!

For God gave us a spirit not of fear but of power and love and self-control. 2 Timothy 1:7

Enjoy your half term break with your family and friends. We have another busy term on your return with many school trips, sports day and the KS2 production to look forward to. Happy holidays!
