

10 October 2019

Raffle prize shout out!!

We need everyone's help to secure great raffle prizes for this year's Christmas Fayre on the **30 November 2019** from **11-2!**

Think outside the box! You might not work at Lego to get us a LEGO box to raffle off or own a hotel that could give us a voucher but you might be staying in one for work and could just ask if they might donate something to a school's raffle. It might not be a voucher for a free night but could be something else? You might be surprised how positive some businesses react. Got a hair appointment before the 30th? Ask your hairdresser! Going to garden centre this weekend? Maybe they have potted plant to give away? Also don't be shy to give something that might not look like a great raffle price. It could be grouped together with other prizes, e.g. I've got some beautiful collectible coffee cups that would love some quality coffee beans, artisan jam or something like that.

Please help us make this raffle a success. Any prizes please leave with reception or give to year 4 (Sam Purvis is the class rep). If your prize should be included on the raffle tickets as advertising please hand in prize by **31 October**.

Thank you!

Your Christmas Fayre Team
