26th February 2020

Dear Y6 Parents

Year 6 Activities Week: 18th - 22nd May 2020

We have organised a wide range of activities for the children to take part in during the activity week. We will study Graffiti art and take a short trip to London to see the artwork while on the trains and return to make our own artwork on canvases that the children can take home. We will have a session on African drumming. The children will be organising an Indian food restaurant, making menus, cooking and serving food. A day of Forest Schools and high ropes is also planned at Berkhamsted School.

On Friday, 22nd May we would like to take Year 6 to the Isle of Wight. The trip is run by the Isle of Wight Experience and we are positive that the children will have an enjoyable time. During the trip the children will be experiencing a visit to Alum Bay to have a boat cruise and a chair lift ride, as well as a session at Wightwaters (Water sport activities). This trip will be an extended school day and, once numbers have been confirmed, timing and additional information will follow.

In order for activity week to go ahead we are requesting a voluntary donation of £150 per child. We would like all children to attend and join in this week, as it will be a fun filled week to celebrate the children's hard work during the year. Unfortunately, if we do not have sufficient monies then the activities will not go ahead.

In order to be able to confirm our bookings with the various organisations we would be grateful if the completed reply slip could be returned to the school office as soon as possible and a deposit of £50 be paid via SchoolMoney. 6th March is the latest for this and the outstanding amount of £100 will then need to be paid by 3rd April.

We do hope every Y6 child is able to take part in this fun-filled week!

Kind regards
Mrs Morris & Mrs Ghaffar
