OUR SCHOOL VALUES: RESPECT - UNDERSTANDING – PEACE – HONESTY – RESPONSIBILITY - TEAMWORK

28th May 2021

Well done to every one for working so hard this half term. The extra booster work both within and outside the school day really seems to be paying off and I am very proud of the progress children are making. Thank you to everyone for your efforts.

Plant Sale

It has been great to see one of our traditions return to school. Thank you to Mrs Gale, all the staff and children for a very successful plant sale which raised a good amount of money for garden projects. Mrs Gale hopes to re-start our lunchtime gardening club again in September.

A Visit from the Police

Our Reception and KS1 children had a very exciting morning this week, when Mrs Wale organised a visit from the Police. They were very informative and explained all about their job and showed them round their police car. We were thrilled with the children's curiosity and interesting questions, but of course the most exciting part of the visit was to hear the police siren!

Please wear a face covering when on our school grounds

Social Distancing Measures In Place

Half Term Break

We often get emails letting us know about exciting things to do in half term, so we thought we'd share one with you. Bucks County Museum is open once again and has special family activities this half term, plus a dinosaur poster competition (closing date 10 June) for their new spectacular 'Dinosaurs Uncovered' exhibition, which opens on 26 June. For more information please visit www.buckscountymuseum.org

8th-11th June Fit4Fun Week

Please can all children come to school in PE/Games kit for a fun filled week of sporty / health-based activities including, circuit training, running, cricket etc.

14th June onwards

We would like all children (Windmills children please continue as you are) to come to school wearing school uniform and bring their PE kit / Forest Schools clothes to change into. The school website outlines the kit needed.

Homework Club

Homework club will be running again after half term. If you would like your child to attend, please contact the school office for availability. Each session costs £7.50 and runs from the end of school until 4.30pm.

'Sun is Shining' Bob Marley

This week's music was chosen by Mrs Gale because it has been so lovely to see the sun again after the unsettled weather recently. In this song we are invited to praise God for another day, for the sunshine, for this morning's rising and for another breath. For everything, in the name of our Lord Jesus Christ.

'Sing and make music from your heart to the Lord, always giving thanks to God the Father' Ephesians 5:19-20

Holidays/ Visits during term time

I do understand that many families will have had their holiday arrangements altered this year and that family get-togethers have been more difficult. However, please do not book holidays/ family visits during term time. Following education guidelines, these will be noted on your child's record as unauthorised and may result in fines being issued. I do hope that you all manage your trips and visits during half term or the summer.

Our Covid19 risk assessment has been updated and is available on our school website under our Covid19 tab. As you will see, we are changing very little at the moment and expect most of our arrangements to remain in place until after the summer holidays when we anticipate most adults will have been vaccinated and we may have greater clarity about the impact of new variants. That said, we are hoping to run some of our usual summer events in some form including a sports 'day' and transition events, such as a Leavers Service for our Year 6 children. More information about these will become available over the coming weeks. We also hope that each class will be able to have a school day trip too. Please continue to social distance from each other and wear face coverings on the school site.

We have a very busy next term with school trips, sports day and Fit4fun week, so please have a restful break and we will see you on Tuesday, 8th June (Monday is an inset day) for more fun!
