VICTORIAN DAY

Dear Y6 Parents

Just a reminder that our Year 6 Victorian Day will be taking place on Wednesday 23rd May. We sent out a letter regarding this before the holidays in order to give you time to prepare a costume, but just a quick reminder of what would be suitable in order to help the children to really get into role:

BOYS

- Grandad shirt (cut off the collar from a ragged, old shirt) or a long sleeved white or grey shirt – ideally not a jumper, tee shirt or other top.
- Dark school trousers with long dark socks into which the trousers can be tucked, to look like breeches.
- Neckerchief worn inside shirt collar to keep it clean.
- Dark leather shoes or boots.
- Flat cap or 'baker's boy' cap (made in segments).
- No watches or jewellery

GIRLS

- Long sleeved blouse and dark calf length skirt or longish dress that is plain and dark or has a small print.
- A pinafore worn over the above.
- Plain long socks or thick tights.
- Dark leather shoes or boots.
- Hair, if long, tied back at the nape of the neck with a plain hair ribbon. Hair can be plaited (not French plaiting).
- Cotton sun bonnet or straw hat.
- No watches or jewellery.

We hope all pupils will enter into the spirit of the day, which we will make as authentic as possible; we are sure they will gain a lot of insight into the Victorian period as a result, enhancing their learning from last term.

Thank you for your support.

Kind regards
Mrs Hardy, Mrs Reid and Mrs Howard
