

The Hawridge & Cholesbury C of E School PSA

8th November 2018

Hi All, not long until the Christmas fayre. Hope you have the 1st December booked into your diaries - more details will follow next week.

We hold a raffle each year which brings in great revenue to the school as we're normally able to offer some great prizes for both adults and the children.

I'm currently coordinating raffle prizes and as usual we're asking for your help. We count on generous donations for prizes from both individuals and businesses.

Would you please let me know if you've kindly organised or acquired a prize already or if you plan to get hold of something.

Many thanks in advance and we look forward to a great turn-out this year as the children love to come and get involved in the festivities.

Emily Wright

Vice Chairperson

The Hawridge & Cholesbury C of E School PSA
