

# Following the Star

# We need to raise a lot of money

Our target is ....

....

**£28,000**

# How will we do it?

We are asking everyone in the Hawridge & Cholesbury C of E School community (that's children and the people who share your home/ are in your support bubble with you) to walk (and/ or swim) to Bethlehem in time for Christmas!

We are asking everyone else to please sponsor us to do this.

So lets do it...lets walk (and swim) the 3072 miles from Hawridge & Cholesbury C of E School to Bethlehem!

# What do we need to do now?

Sadly, we can't actually walk and swim to Bethlehem, but we can travel the miles and look at the countries we visit online on the way.

We are all going to start this together on Thursday 22<sup>nd</sup> October by walking around our school field.

You can carry on walking with your families over the weekends and half term break.

Every time you complete some more miles you will need to add them to the Strava app. We'll let you know how to do that.

- We will have a look each week in Celebration Assembly to see how far we have travelled.
- You will be also be able to look at the display outside the office and on the website to see how far we have travelled.
