16th September 2019

Dear Parents,

Maths Kith and Kin - Monday, 23rd September, 9am–10.30am (please note change of time)

To kick start our 2019-2020 Kith and Kin season we will be having a focus on maths, inspired by nature, and all parents and carers are invited.

We will start the morning with a quick assembly at 9am and then children will be released from the hall, class by class, to their specified outdoor area. At that point please feel free to follow your child's class. Due to the subject focus, we will remain in class groups to carry out our maths activities. Parents with children in different classes can move freely between the classes they are visiting. All classes will remain on the school grounds.

Please ensure that your child has a waterproof coat with them as we would like to ensure some, if not all, of the morning is spent outside whatever the weather.

We hope that you can come and join us and look forward to sharing this experience with you. Please complete the attached slip so we know who to expect.

Best wishes
Mrs Hughes
