

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Thursday 2nd February 2023.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

«  » On average, a child contacts Childline every **25 seconds**

Making maths meaningful

Number Day is a great way to celebrate Maths and continue to foster a positive, 'can-do' attitude towards it.

On **Thursday 2nd February**, the children will take part in a range of fun maths activities and we will be taking part in *Dress up for Digits*. Pupils are invited to wear an item of clothing with a number on it, or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a £2 donation and we'd love everyone in the school to take part in this special event.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Hawridge & Cholesbury will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Mrs Birley and Mrs Woodward
Maths Subject Leader and PSHE Subject Leader
