15th November 2019

Dear Parents

Film – ‘How to Train Your Dragon’ - Holly Crofts

As part of our English topic we have been reading Cressida Cowell’s book ‘How to Train Your Dragon’. We have used this to help us with character descriptions, adverbial phrases and speech punctuation. We will also use it to help with our own creative writing as the children prepare to create their own dragon adventure.

I would like to show the film to the children in parts over the next week to compare the written book to the screenplay version. As the film is a PG rating I will need your permission before I can do this.

Please complete the permission slip and return to school by Wednesday, 20th November, so that we can start to watch the film.

Kind regards

Mrs Walker
Year 4 Holly Crofts
