Headteacher: Mrs Rosie Phillips

'Love one another as I have loved you.' John 13:34

To all the children at Hawridge & Cholesbury C of E School,

Everything happened so quickly last week didn't it? As adults we are finding this time a bit strange too. But I want you to remember that we look forward to being together again at school, in the sunshine (or the rain), in our field, on the common and in the school playground. For those of you who are moving to new schools at the end of the year and are worried that you will not be back to H & C, be reassured that we will invite you back for a proper farewell and celebration of your time with us (you can't get away that easily!).

We want you to know that we are proud of the way you have dealt with all the changes around you. Proud of the way you have looked after each other over the year. I know you will continue to take each day with your usual positive and enthusiastic approach. You will take every opportunity to learn as you always do – but it will be a bit different and the learning will come from new places. You may find that interest in new books, documentaries or playing games but we will also make sure you have a chance to learn from the tasks that we send to you. Your teachers will email every school day so remember to tell them how you are getting on and ask them lots of questions. We are going to miss your smiling faces and will eagerly look forward to your responses.

We are looking forward to seeing you back at school some time and in the interim, however long that is, take care of yourselves and your family and think about what we will all do when we are next back together. I know, regardless of social distancing, you will continue to live out our school Bible Verse 'Love one another as I have loved you. (John 13:34) as indeed will all of us.

Best wishes and lots of love

All the staff at Hawridge & Cholesbury Church of England School
