Dear Parents

PC Briggenshaw's E-Safety Talk - Wednesday 11th July 9am – 10.30am

After such positive feedback and many parents asking about more time with PC Briggenshaw, he has kindly offered to come back on Wednesday 11th July 9am – 10.30am to run another E-Safety session for parents.

We are incredibly lucky to have him come back for a second time this term. Many of the parents that attended commented on how important and how valuable the talk was. Here are some of the comments we received

" So I thought that I was quite safety conscious on the whole internet lark and keeping our children SAFE, but by the end of our talk with PC Briggenshaw and at the thought of what could happen I realised how one false move could affect your children for the rest of their lives."

I think it is highly important that all parents attend as technology changes so rapidly we need to keep moving forwards with our children.

Please complete the slip below, if you are going to attend, and return it to the office by Tuesday, 10th July.

Thank you
Miss Suckling
