

## Rules of the Game:

1. Throw the dice twice.
2. The 1<sup>st</sup> throw gives you the suffix you must use whilst the 2<sup>nd</sup> throw gives you the activity: e.g. if you throw a 3 you must think of a word with the suffix -ify. If your 2<sup>nd</sup> throw is also a 3, the word must then be put into a short rhyme. The resulting rhyme could therefore be:

Once there was an enormous fly,  
That took a dive into my tea.  
'Oh no, I need to purify,  
Or it will have impurity!'

[I don't intend to take up poetry as that took quite a while to create!]

Have fun.....
