

From 2pm on Friday 8<sup>th</sup> November Chorleywood Bookshop will be running a book fair from the main school hall. Adults are invited to come along from 2pm, without school aged children, as an opportunity to buy Christmas presents. The fair will be open to adults with children of all ages from 3pm. The books being sold have been specifically selected and will be recommended texts for children from Reception up to year 6. At some point in the afternoon the children will have an opportunity to browse the books being sold at the fair with their classes. All children are very welcome to come along to the book fair after school when they can browse the books and make a choice with their adult. This is **for one afternoon only** so don't miss out. Put the date in the diary and come along to browse and buy an enjoyable read that you can share with your child.
