

White Rose Maths Instructions

Let's try week 2!

You will need to click this link each day:

<https://whiterosemaths.com/homelearning/year-5/>

This link will take you to the Home Learning – Y5 page and you will need to select **Week 2**. You will see that lesson 1 is called 'Lesson 1 – Rounding decimals' and you will be able to watch the video (as many times as you wish) and complete a worksheet related to what you have just watched (This is in red on the right hand side). The answers are in blue to help you check or to help if you get stuck.

We would like you to watch the video and complete the activity each day:

Monday – Lesson 1 – Rounding decimals

Tuesday – Lesson 2 – Order and compare decimals

Wednesday – Lesson 3 – Understand percentages

Thursday – Lesson 4 – Percentages as fractions and decimals

Friday – Lesson 5 – Equivalent FDP

Let us know if you need any additional resources,

Mrs Morris & Mrs Kretschmer
