Dear Parents/Carers

Our updated PSHE (personal, social, health and economic) Policy, Relationship Education Policy and Sex Education Policy can be found on our website under Parents, Policies, Policies under Consultation. If you have any questions or comments about any of the policies please send an email to the office for the attention of Mrs Woodward. The consultation period will end on 24th February so please do ask any questions before then so I can address these with you.

Additional appendices regarding the above can be found in the The Curriculum section of the website under SRE (Sex and Relationships Education).

I will be holding a parent information event on 23rd February where you will have the opportunity to hear more about our Jigsaw PSHE scheme and view some of the materials we use with the children. There will be a face to face meeting at 9am in the hall and a Microsoft Teams meeting in the evening at 5.30pm for those who cannot attend in the morning. Please complete the slip below to let us know if you would like to attend either of these so that we have an idea of numbers.

Kind regards

Heather Woodward
SENDCo and PSHE lead
