

OUR SCHOOL VALUES: RESPECT - UNDERSTANDING – PEACE – HONESTY – RESPONSIBILITY - TEAMWORK

19th March 2021

Dear Parents

What a colourful (mainly red) school we had this morning. All the children were full of the joys of spring walking into their classrooms and were so very excited it was non-school uniform! Thank you for your efforts and for all your donations.

Games with James

The multi sports after school club on a Wednesday has proved to be very successful, so much so that after Easter there will be two clubs on two different days, so look out for that leaflet!

Parents' Evening

Don't forget to book your parents' evening slots for next week. The booking system will close at 8pm this Sunday for the standard 10 minute slots.

Just a reminder that bookings for support plan slots can be made from 8pm Thursday, 25th and will close on the following Sunday at 8pm.

Parents' Lockdown Survey

Thank you to everyone who replied to our survey. It was encouraging to read some very positive feedback. All comments will be shared with governors and the teaching staff. We very much hope 'remote learning' will not be needed moving forward but there are certainly things we will have all learnt from the experience.

End of Term

Just a reminder that we finish for Easter on Thursday, 1st April at 2pm.

Finally, I'll leave you with a fabulous Red Nose Day photo of our Windmills class waiting patiently for Celebration assembly to start. I am so impressed with how brilliantly they are sitting. What superstars!

Have a lovely, restful weekend.

Kind regards

Mrs R Phillips
Headteacher
