OUR SCHOOL VALUES: RESPECT - UNDERSTANDING – PEACE – HONESTY – RESPONSIBILITY - TEAMWORK

13th October 2020

Thank you very much for all your kind messages and concern. I am grateful to only have mild symptoms, enjoying hearing what everyone is up to and missing everyone at school very much. I look forward to returning and seeing everyone again as soon as I am safely able to.

Mystery Box?

You may well have noticed the white box which has appeared in the area close to our school pond.

It is actually a Weather Station and has been kindly designed, made and donated by Mr Wright (with a little help from his two sons). What a fantastic addition to our school environment and science resources. As I always tell visitors to the school 'we get a lot of weather here' so I am sure it will be well used! Thank you so much.

Story Start

Mrs Ditta currently has spaces and would love to be joined by some more children for a 'before school' story, chat and a light breakfast. Story Start costs £4 per session, starts at 8am and must be booked up to 24hours in advance via SchoolMoney.

Reminder!

Children must be with adults at all times.
Adults must socially distance and wear masks.
Adults may be asked not to enter the school site if they put others at risk.

Hot Lunches are back!

The new hot menu is back and can be seen on the school website. Bookings can be made through SchoolMoney.

Now the weather has definitely turned wintery, please ensure children come to school every day with an outdoor warm / waterproof coat. Don't forget, we go outside whatever the weather!

RSE (Relationship and sex education) is now a statutory subject to teach. In primary schools this focuses on relationships and how they impact the children and various parts of their lives.

As a school we already teach PSHCE and the RSE curriculum is very much an extension of this. Please find the RSE policy on the school website plus links to government Booklet / FAQs.
