Please let us know if there is anything that could be improved, thank you.

- **Booking Difficulties**

- The website is extremely complicated to use and not fit for purpose. Lukewarm response to the teacher unfortunately.
- The booking is difficult and inflexible. For ad hoc bookings you need to speak to someone, and the online booking system is clunky
- Easier booking for occasional use please

- **Range of Activities**

- A better range of activities for all ages - feedback I have received is it is quite babyish and girl focused.
- More games such as chess club, Lego club etc
- Chess clubs please

- **Snacks**

- A little bit more of a substantial snack
- Larger snacks (fruit) - the kids are always hungry after school
- Fruit to be given as well as a snack
- More food choices for kids with sensitivities.

- **Pricing**

- Pricing
- Cheaper

- **Other Comments**

- Not specifically for Welldon, but the possibility of earlier school provision prior to 0750 would be helpful. I need before school too, from 7.30am
- Not used enough to know yet

Alternative After School Care

Please explain why you choose to use another provider (e.g price, location, what they offer)

- I currently have a child in nursery until this summer and use that provider.
- XXXX didn't enjoy Welldon - more restrictive and the others younger than her
- Provision was already in place prior to Welldon starting at Hawridge.
- Haven't needed after school care yet
- Easier to book, more flexibility.
- Family members

Would you consider using Welldon instead, for some sessions? Please explain.

- **Simpler Booking**

- More flexibility and being able to book automatically.
- For occasional sessions rather than regularly
- Yes. I would like to be able to book half hour slots though as I can't get timings to work with current offering

- **In the future**

- Yes this will definitely be an option we may need to start using

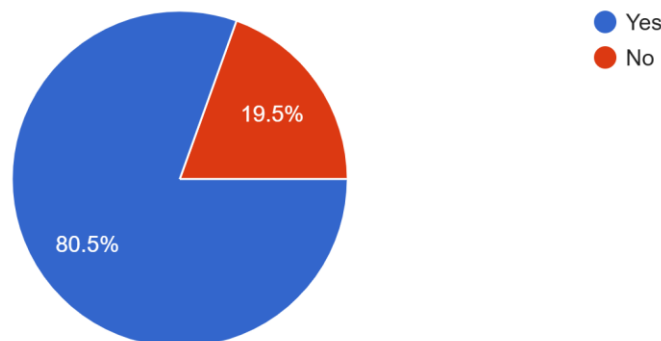

- **Other**

- Yes, if there are fun activities I'd happily consider using the afterschool care. However, I wouldn't be comfortable moving all my afterschool care if there is a risk of the provision being taken away as I may struggle to go back to my original provider.
- Yes, if they offered free sessions

Occasional Afterschool Clubs

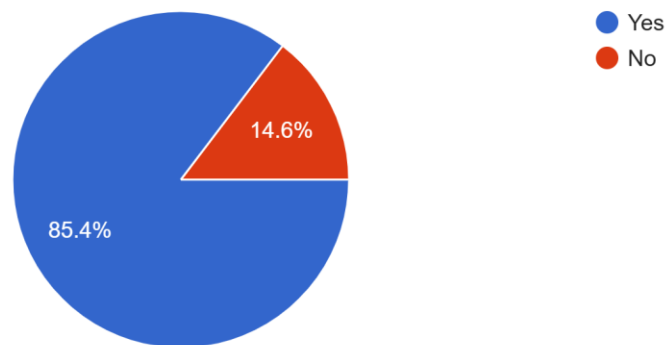

I would be interested in sending my child to a club run by Welldon e.g Cookery on a Wednesday until 4.30pm, drama games, board games, gardening club

Any Other Comments

• 'Club' Options Please

- I think turning an afternoon or 2 into a 'club' as suggested - cooking, gardening etc is a good idea and could definitely encourage more parents to sign up.
- Other schools offer a variety of after school clubs. Example footy training every Wednesday, then when Chiltern League comes up they're already used to playing together as a team.
- The boys might like to attend an occasional event, but I don't actually need childcare.

• I Need a Wraparound Provision at Hawridge and Cholesbury

- On a personal note, I only need to use this provision occasionally but would struggle if it wasn't there so I really hope there is a way for it to carry on.
- It is great there is an option of the wraparound care, and if I do require to work more hours then this would be really helpful to use.
- I would love to be able to use Welldon occasionally, but this is not something XXX would currently be on board with.
- I will be looking to use Welldon for after April half term as I will be returning to teaching from then
- At the moment afterschool clubs are not needed but this could change in future if our work schedules were to change.
- I want to use this service and if still available def will be in Sept
- I need this club to run for both my children 5 days a week till 6

• Other Comments

- Any event I send my child to, would have to cover the working day, so would require it to run to 5;30pm
- As a single parent income household, I cannot afford this extra cost

Actions Following Parent Survey

We have enjoyed reading your feedback and have shared this with Welldon Kids Club. To confirm, Welldon Kids Club and Hawridge and Cholesbury CE School are keen for our partnership to continue, we have no intention of this provision ending. This questionnaire was to gain valuable feedback from our parents.

Welldon have offered the following changes to their afterschool provision.

- Welldon will review their snacks and offer a more substantial snack earlier in the afternoon
- Welldon will be changing their booking system to make booking easier for parents
- Welldon will be introducing a club on a Friday, as a trial for the Summer term. We hope that this will be successful and lead to more offerings in the future.

We hope that these changes will make a difference. We are always pleased to receive feedback, thank you for taking the time to complete the questionnaire.
