

Parents Survey Response to the Wraparound Care Questionnaire, February 2026

Thank you to each of you who took the time to engage with our school survey regarding afterschool care. Your feedback is valuable and essential in helping us understand each child and each family's needs.

We received 41 responses from 36 families.

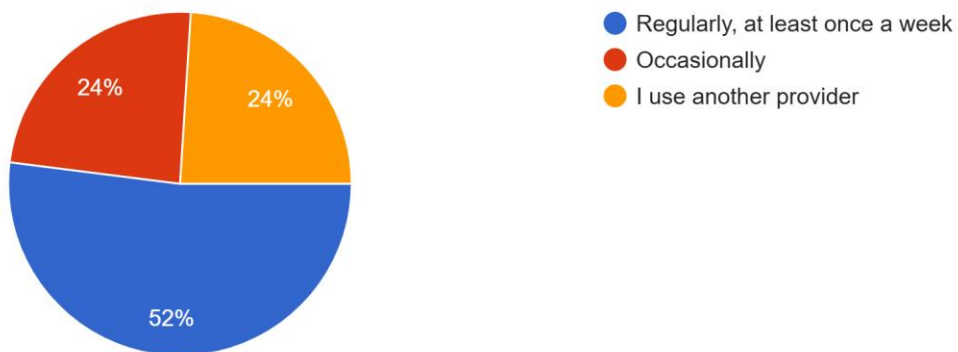

The results from this survey and your suggestions will be shared with Welldon Kids Club, and our governors and staff.

Welldon Kids Club Questions

Please Let Us Know What You Like About Welldon

Flexibility, need it desperately to be able to work and use this school without it I would be lost

I am full time working mum and need this so much to keep my children in this school

The staff are really lovely and they do really nice things with the children.

Rasa - she is fantastic with the kids. Options and length of finish time.

Great value for money, lovely warm staff, great range of activities

It is within the school premises. Interesting activities.

That is at school with friends - staff are friendly

My daughter had a great time when she attended

It is at school and the staff are friendly

Children enjoy it and staff are friendly

Good timings, XXXX very happy there

Convenient and on school premises

The staff are really friendly

Availability and cosy

The staff are good

Suitable times

Friendly staff

Staff

Please let us know if there is anything that could be improved, thank you.

The website is extremely complicated to use and not fit for purpose. A better range of activities for all ages - feedback I have received is it is quite babyish and girl focused. Great arts and craft activities these go down well. Lukewarm response to the teacher unfortunately.

The booking is difficult and inflexible. For ad hoc bookings you need to speak to someone, and the online booking system is clunky

Not specifically for Welldon, but the possibility of earlier school provision prior to 0750 would be helpful.

More games such as chess club, Lego club etc and a little bit more of a substantial snack

Larger snacks (fruit) - the kids are always hungry after school

More food choices for kids with sensitivities.

I need before school too, from 7.30am

Fruit to be given as well as a snack

Easier booking for occasional use

Not used enough to know yet

There isn't anything

Chess clubs please

Pricing

Cheaper

Alternative After School Care

Please explain why you choose to use another provider (e.g price, location, what they offer)

I currently have a child in nursery until this summer and use that provider.

XXXX didn't enjoy Welldon - more restrictive and the others younger than her

Provision was already in place prior to Welldon starting at Hawridge.

Haven't needed after school care yet

Easier to book, more flexibility.

Family members

Would you consider using Welldon instead, for some sessions? Please explain.

Yes, if there are fun activities I'd happily consider using the afterschool care. However, I wouldn't be comfortable moving all my afterschool care if there is a risk of the provision being taken away as I may struggle to go back to my original provider.

Yes. I would like to be able to book half hour slots though as I can't get timings to work with current offering

Yes this will definitely be an option we may need to start using

More flexibility and being able to book automatically.

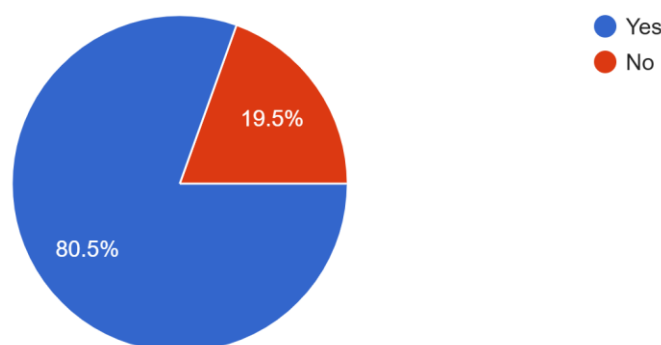

For occasional sessions rather than regularly

Yes, if they offered free sessions

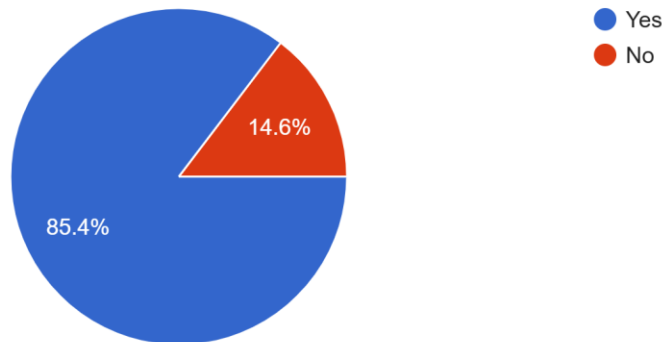

Occasional Afterschool Clubs

I would be interested in sending my child to a club run by Welldon e.g Cookery on a Wednesday until 4.30pm, drama games, board games, gardening club

41 responses

I would be interested in sending my child to an occasional event run by Welldon e.g Movie Night, Easter craft session

Any Other Comments

I think turning an afternoon or 2 into a 'club' as suggested - cooking, gardening etc is a good idea and could definitely encourage more parents to sign up. On a personal note, I only need to use this provision occasionally but would struggle if it wasn't there so I really hope there is a way for it to carry on.

Other schools offer a variety of after school clubs. Example footy training every Wednesday, then when Chiltern League comes up they're already used to playing together as a team.

It is great there is an option of the wraparound care, and if I do require to work more hours then this would be really helpful to use.

I would love to be able to use Welldon occasionally, but this is not something XXX would currently be on board with.

At the moment afterschool clubs are not needed but this could change in future if our work schedules were to change.

Any event I send my child to, would have to cover the working day, so would require it to run to 5:30pm

I will be looking to use Welldon for after April half term as I will be returning to teaching from then

The boys might like to attend an occasional event, but I don't actually need childcare.

As a single parent income household, I cannot afford this extra cost

I want to use this service and if still available def will be in Sept

I need this club to run for both my children 5 days a week till 6

As stated earlier, before school provision

Actions

Welldon have offered the following changes to their afterschool provision. We hope that these will make a difference. We are always pleased to receive feedback, thank you for taking the time to complete the questionnaire.

To confirm, Welldon Kids Club and Hawridge and Cholesbury CE School are keen for our partnership to continue, we have no intention of this provision ending. This questionnaire was to gain valuable feedback from our parents.

Welldon will review their snacks and offer a more substantial snack earlier in the afternoon

Welldon will be changing their booking system to make booking easier for parents

Welldon will be introducing a club on a Friday, as a trial for the Summer term. We hope that this will be successful and lead to more offerings in the future.
