Aimed at parents/carers of autistic children and those on the neurodevelopmental pathway

EarlyBird Plus Programme

Join the National Autistic Society's EarlyBird Plus free programme for parents and carers of autistic children and those on the neurodevelopmental pathway, aged 5 to 10 years.

The six-session programme covers:

- Understanding autism
- Communication
- Understanding autistic experiences
- Supporting daily living
- Health and wellbeing
- Connections

"This has made a real difference to me. In general, life-changing."
Parent

Tuesday afternoons 12:00-2:30pm	October 6th, 13th & 20th November 3rd, 10th & 17th
Venue	Barn Hall Annex Chiltern Avenue Amersham

The EarlyBird Plus programme aims to empower parents and supporting professionals to understand more about autism and discuss useful strategies on how to support autistic children.

Please email Mrs Davey or Mrs Woodward via the school office if you would like to attend this course.

Free audio books for children

We can sign your child up to listen to audio books at home - just speak with the SENDCOs.

Calibre Audio believe 'everyone has the right to read. Stories entertain us, comfort us, help us learn, and connect us to the world and to each other. When print becomes a barrier, those benefits shouldn't disappear. That's why everything we do is about making reading accessible, inclusive and enjoyable for all'.

Introduction to Calibre Audio
the value of audiobooks for education & reading for pleasure

Join Helen Mee, Director of Communities & Learning

Calibre Audio is a national UK charity who provide a free audiobook lending service for any child or young adult with a print disability under the age of 18 years. Join us on Zoom to learn more about how audiobooks can support your child's learning.
