Dear Parents

Chiltern League - Netball

After a successful first term in the Chiltern League, our sport will now move to **Netball**. Netball training and matches will be open to Years 5-6.

A new opportunity this year is that Coach Jamie from Game On is going to be leading and attending all Chiltern League training, matches and finals. He will be offering training Thursday lunchtime from 12-12.30pm, starting Thursday 6th November lunchtime.

We would be expecting regular attendance at training and games for the whole half term so please only sign up to this if you are able to commit weekly.

Fixture Schedule

Date	Home Team	V	Away Team	Venue

Usually we have a high response to activities in the Chiltern League so we might have to offer children a chance to play in a match on a rotating system. If so, all children will get equal opportunity to participate. It will be communicated to you every week by Game On who will confirm your child's place and the location of the game. **All games are scheduled to start at 3.45pm.**

If your child has medication please bring the medication from home. Coach Jamie will not be responsible for taking any medication to or from any matches.

Please come along and support the team if you can. All children will need to be collected from school at normal time and transported to away games.
