2nd December 2020

Dear Parents

We are so excited to let you know that we have booked the **BBC's**

Oh no it's not!

It's behind you!

Oh yes it is!

Booooooooo!!!

Blue Peter legend Peter Duncan, a critically acclaimed Panto Dame, Writer and Director, has decided to use his own 'Giant' back garden to film JACK AND THE BEANSTALK - a socially distanced pantomime complete with ingenious sets, fabulous costumes... and even a real beanstalk!

It will have boos and cheers, a sing-a-long song sheet, an interactive, pre-filmed creative workshop, learning activities and, because it's a 'Blue Peter style made' video, we just know it's going to be suitable for all children plus **GREAT FUN!**

We are asking for parents to please pay **just £5 via SchoolMoney** which will go towards paying for the panto, popcorn for each child whilst they watch the panto, plus Christmas crafting products (glitter, paint etc.) for each class so they can make their Christmas cards, calendars and general Christmassy activities.

We are hoping that all our H&C children will think school (during these unusual times) is just as Christmassy, festive and fun as in previous years. As always, thank you all for your support.

Kind regards
Mrs R Phillips
