26th November 2025

Dear Parents

Natural History Museum, Tring – Thursday, 11th December 2025

I am delighted to share that we will be visiting the Natural History Museum in Tring on Thursday 11th December 2025. This links well to our Science topic, learning about animals and their skeletons. We will spend some time in a museum-guided workshop based on skeletons, as well as some free time to explore the museum exhibits and the grounds of the museum as a class.

As this trip falls on the same day as Christmas jumper day, the children will be allowed to wear a Christmas jumper on top of their school uniform.

We will be travelling to Tring by coach straight after registration and will return to school before the end of the school day so the children can be collected at the normal time of 3:25pm.

Please send your child into school with a packed lunch and plenty of water for the day. If your child is in receipt of free school meals and would require a school packed lunch (cheese or ham roll) please email the school office. All hot lunches already booked for this day will be cancelled and credited to your account.

We will spend most of the day indoors, with a break time in the nature garden, so please ensure your child has a light raincoat.

The cost of the trip is £14 which covers the cost of the coach and a donation to the museum, this will be available to pay via Arbor (payment listed under Activities>Trips>Y3 Trip to Tring Natural History Museum).

Please complete this [google permission form](#), so that your child can attend the trip, by Friday 5th December.

If you have any further questions about this trip, please do not hesitate to get in contact. I am really looking forward to this exciting trip for Year 3.

Kind regards

Mrs Smith
