December

can be

a

busy

month.

Some things might

be

different

at school.

This is because it is a special

time

of

year.

There is a celebration called Christmas.

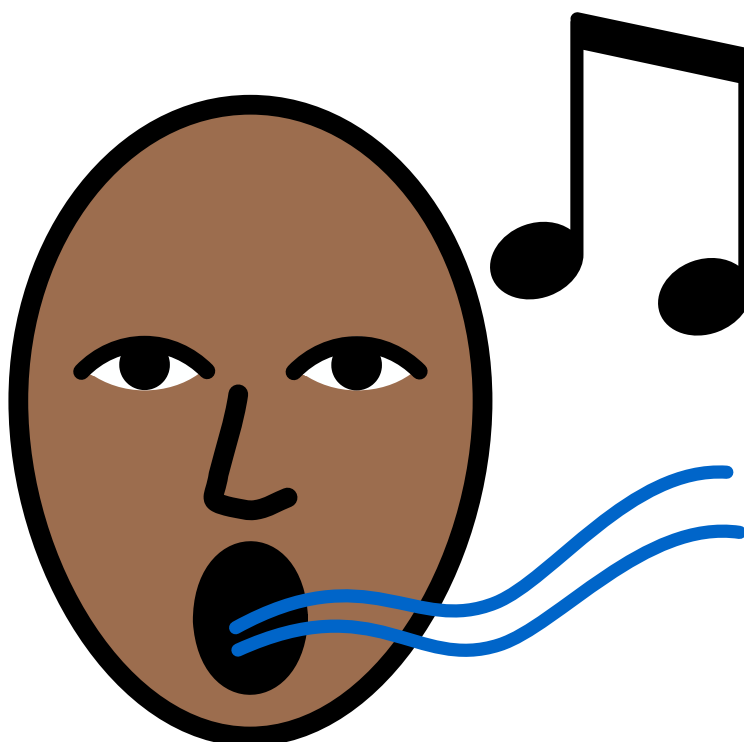

This is an important celebration for Christians.

We might learn some things about the story of Christmas.

We might celebrate at school.

There might be Christmas singing.

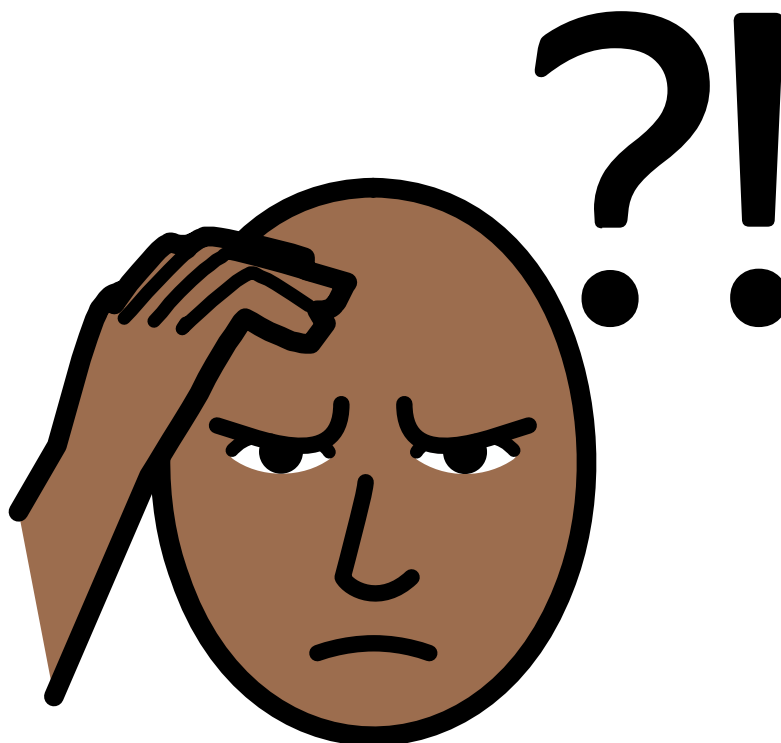

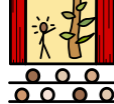

There might be a carol concert.

There might be a party with presents.

There might be a pantomime.

December

can be

fun

for

some people.

December

can be

tricky

for

some people.

This is because December

can have

lots of changes.

If the changes

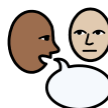

upset

me,

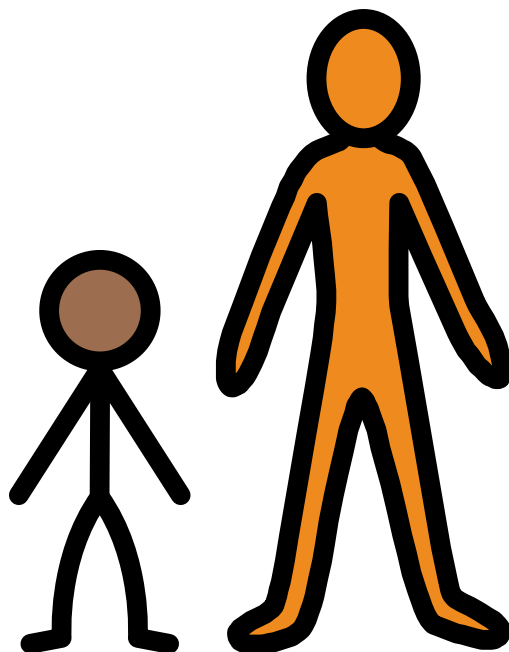

I can

tell

an adult.

My adult

can help me

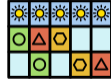

to stay calm.

They might

help me

make a timetable

They might

help me

make a list.

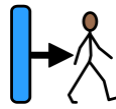

They can help me

find

a quiet place

away from

the celebrations.

Lots of things

will

stay the same

in December

too.
